

RANDY RAWLS  
Equatus Ass'n. President  
B-in-B Representative  
Science Club

Randall "Randy" Richard Rawls April 1, 1945 - December 5th, 2019

Our classmate Randy Rawls passed away December 5, 2019. His daughter Kim Franks wrote the following on Facebook.

A piece of our heart was taken December 5th, 2019. My sweet Dad left us with so many wonderful memories for which we are so grateful. Dad was the most selfless, dedicated and loving father, husband, and grandfather anyone could ask for. He loved his family, especially his girls, with all of his heart.

The only thing that came close to the love of his family was his love of flying, finishing his career as a Continental 777 Captain on international routes to London, Paris, and Tokyo with Mom working the same flights as a flight attendant. Once their careers ended, they loved spending time on their ranch in Waxahachie, TX and their home in Austin.

We will miss him so much.

Love you Dad
