Tangus

Lee Rutherford, age 77, passed away on Monday, March 6, 2023 in El Paso, Texas. He was a wonderful husband, son, brother and uncle and will be greatly missed. Lee loved people, pets, boats and cars and they loved him back. He liked saying "I wasn't born in Texas but I got here as soon as I could". His sense of humor was one of his best assets and what so many people loved him for. To the end, there was never a moment when he didn't try to find the humor in anything and everything. He graduated from Burgess High School, elected Nicest Personality, and attended UTEP. After attending school Lee served in the US Army making Spec/5 during his term and served in Germany for three years. Even before he could pass his driving tests, Lee was a car buff. His favorite pastime was working on any one of the forty-three different cars that he owned during his lifetime. Lee spent most of his career in sales and applied his skills to selling a variety of products and services, from used 8 track tapes to a higher education. Lee is preceded in death by his parents; Harry Otho Rutherford and Virginia Livingston, as well as his sister; Karen "Jolene" Rutherford. He is survived by his wife; Priscilla Ann Rutherford and many extended family members and friends who cherish and honor his memory. He is also survived by his dog Sunshine and his 2001 Toyota Avalon. Per his request cremation has taken place and a celebration of life will be held at a later date. Arrangements are entrusted to Sunset Funeral Home-West, 480 N. Resler Dr.
